I wish to object to the proposals in the Network Rail Stalybridge to Diggle TWA order.

There has not been anywhere near enough information shared about how this will work such as traffic diversions, emergency services access, etc.

The closure of Moorgate level crossing is very problematic and the alternative Footpath 244 is dangerous - steep with poor visibility and adds 1/2 mile.

As a resident, a walker and member of Christ Church Friezland, I object to the order until we have a clear plan of action for residents' and visitors' safety and to minimise disruption.

Yours sincerely,
Yvonne Carson
