Subject: Proposed Cambridge Busway

I would like to object to this proposal.

There will be a massive disruption to a large swathe of Cambridgeshire's attractive upland countryside.

Few residents of the villages of Sawston, Stapleford and Gt Shelford will benefit, as walking distance to the stops is too great for most.

In fact, those who might benefit in Sawston are mainly those in recently built houses, but these people will have bought their houses in expectation of a quiet environment, not a noisy busway right on the edge of their estate !

The alternative of a bus lane on the main road from Babraham to Addenbrookes seems much more sensible, cheaper by far, and much less disruptive.
