Subject: Objection to Transport & Work Order Act for DfT for a new busway linking Cambourne to Cambridge
Date: 08 January 2025 12:46:36

Dears. Sirs

From:

Michael Kulynycz
[REDACTED]

I am e-mailing to make an objection to the above application as submitted by the GCP on 12 Nov 2024.

I have no objection to the far cheaper excellent on road alternative but oppose any scheme through existing Green Belt Land & in particular Coton Orchard with all the environmental destruction & ensuing damage, also adding to urbanisation of Coton Village itself. I also see that the benefit cost ratio of the new East West Rail Link once built will seriously fall. An on-road alternative would give a more direct route also to the Biomedical Campus too.

Please submit my opposition for the reasons stated.

Michael Kulynycz
