Subject: Camborne to Cambridge Busway Application.
Date: 28 December 2024 17:56:33

I object to this application for the following reasons:

- The proposed route cuts through Green Belt Land including the ancient orchard at Coton
- It will cost a minimum of £220 million which is disproportionate
- It will cut only 3 minutes off the current journey time of 30 minutes & @ £220 million this is a very poor use of costs in relation to benefit
- The route ends on Grange Road, which is a residential road, and does not connect with workplace destinations.

Kind regards

Christa Beal
