Subject: Objection to Transport and Work Act Order to the Department for Transport (DfT) for a new busway to the southeast of Cambridge Cambridge

To whom it may concern,

My name is Thomas Mundy and I am a resident of [REDACTED]

I am writing to object to the "Application for a Transport and Work Act Order to the Department for Transport (DfT) for a new busway to the southeast of Cambridge", ie the proposed busway plans as submitted by the Cambridge Greater Partnership on 9 January 2025. The grounds for this objection are the damage the works would cause the natural landscape and countryside including the Gog Magog Hills. As a resident I would also not use the proposed bus route and understand that there are alternative plans which would avoid severing fields that are in close proximity to the villages.
