Subject: GCP's Bus Road Plans - Plea to Secretary of State for Transport

Dear Heidi Alexander

I am writing to object to G.C.P. plans to to destroy a significant area of countryside to the west of Cambridge by building a five-mile road dedicated for bus use.

I feel that the best solution is to build a bus lane adjacent to the existing main road - this is likely to be significantly cheaper and have less impact on the area.

Yours sincerely

Brian Purkiss
