Good evening

I email to raise my concerns with the above. As far as I have been made aware, the closure of the bridge for at least twenty weeks will cause absolute havoc for local residents.

I am unclear as to where the diversions are and am flagging this as a major concern. This road is the main throughfare for most of the Saddleworth villages and I'm not sure the other local roads will cope.

My postal address is [REDACTED]

I do not oppose the work in question but feel that there needs to be more and better consultations with local people to make sure this works for all parties in the best and most reasonable manner.

Many thanks for reading my concerns.
