**Subject:** Network Rail Anglia Level Crossing Reductions TWA Order

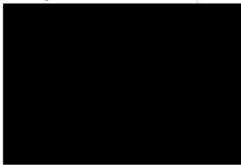

To who it may concern

(E33)

It has been brought to my attention that the pedestrian crossing R33 is at risk of being closed. This would be a great shame it is the direct route to the RSPB Vange nature reserve. I use this crossing regularly as do many other nature lovers. none of us are getting any younger and it would be of a great inconvenience if an entrance is developed elsewhere as a longer walk would be difficult.

Yours

Sylvia Brown
