Dear Sir or Madam

Objection to Transport and Work Act Order to the Department for Transport (DfT) for a new busway linking Cambourne to Cambridge

My name is Margaret Smith and I
Live at [redacted]

I strongly object to the new busway linking Cambourne to Cambridge", as submitted by the Cambridge Greater Partnership on 12 November 2024 for the following reasons

It will destroy natural habitats and scar Madingley hill;

A new public transport infrastructure adjacent to the A1303, including new bus lanes and bus priority measures could easily be built instead at a great saving to tax payers;

Data used in the application may no
Longer be valid;

There is already much congestion in Cambridge. This busway won't solve problems of bus reliability because the buses will run on roads in central Cambridge, which is the main cause of bus delays.

Please give my comments your kind attention.

Thank you

Margaret Smith
