Dear Chris Grayling,

**Re: Network Rail Essex and Others Level Crossing Reduction Order
Reference Paget Road E41
Closure of the Paget Road Railway Level Crossing footpath.**

I would like to object to the decision made to close the Level Crossing in Paget Rd Wivenhoe Essex. I have owned my house in Paget Rd for several years and find the crossing is incredibly useful to get to other parts of the village without a considerably longer walk if this crossing was to be closed. The trains go so slowly at that point as it is near to Wivenhoe station that there is no danger of anyone being run down, it would just be making everyone's lives so much more difficult if it was closed and as the crossing has been there for so long so why close it now. I know from the many people in Wivenhoe that I have spoken to that this would be a very unpopular decision.

Yours sincerely.

Lesley Croxford
