Subject: Objection to proposed new busway to the southeast of Cambridge

Dear DFT,

My name is Chris Smith, of [REDACTED]. I would like to write to make a formal objection to the "Application for a Transport and Work Act Order to the Department for Transport for a new busway to the southeast of Cambridge", as submitted on 9th January 2025 by the Cambridge Greater Partnership.

My main objection is that building 5 miles of new road through open countryside is unnecessary to deliver transport improvements. As an alternative, I would support sections of bus lane adjacent to the A1307 and a single (one) mile of new busway, as first proposed by the GCP in 2018.

With best regards,
Chris Smith
