Subject: Objection to green fields busway

Dear Sirs,

I am writing as a South Cambridge resident to object to #CSET the 5 mile busway across green fields in Stapleford&Great Shelford, running adjacent to Magog Down & dissecting our new chalk hill down. It will destroy the visual landscape, and most crucially it be threatening our creatures & making area vulnerable to development.

Please add my name to list of any objections (not for public production)

Many thanks

Kathleen Anne Hawksworth
