Subject: Objection to Transport and Work Act Order to the Department of Transport for a New Busway to the South East of Cambridge

I Amanda Hutchings of [REDACTED] am writing to make a formal objection to the "Application for a Transport and Work Act Order to the Department for Transport for a New Busway to the South East of Cambridge" as submitted by the Cambridge Greater Partnership on 9 January 2025

.

The grounds for this objection are the following:

The construction of 5 miles of new road over open countryside is unnecessary to deliver improvements in transport. Sections of bus lane could be built next to the A1307 with only 1 mile of new road -as proposed in 2018.

The construction of 2 bridges over the River Granta could then be avoided and important landscape of the Gog Magogs would remain unscarred. The cost would be considerably reduced.
