Dear Sir or Madam

I'm righting to state my objection to the planed reroute of the bridleway alongside the railway track at Tackley. I've been a long term user of the route for hacking my horse with my family and friends I can not see that the proposed route can possibly be safe if a train comes past at my horses head hight and I'm 4m away in a fenced area with a hard surface, surely this it a ticking time bomb!!!! Please rethink this proposed route and prevent a foreseeable accident.

Yours sincerely

Lucy Holland
