Report Suspicious

Sir/ Madam

As a resident of Tackley and dog walker who regularly walks my dogs along the bridleway surrounding Tackley, I strongly object to Network Rail's proposed routing change which in my opinion poses serious dangers to all users of the bridleway and is ill-thought out since there are other more appropriate and feasible options to address the closure of Tackley station railway crossing.

Please acknowledge receipt of this email and my objection.

Regards

Director/ Principal Consultant
