

## **RVR 14 Aims of RVR**

Rother Valley Railway Limited (RVR) was formed in 1991 with the following specific aims

- (i) To acquire any part or parts of the site of the original railway running from Robertsbridge in East Sussex to Tenterden in Kent or of any other land or property in the vicinity of the said railway.
- (ii) To restore the railway or part thereof as nearly as may be possible to its original route.
- (iii) To operate either solely or with any other person or persons (whether individual or corporate) a railway service on the restored railway and/or enable a railway service to be operated thereon by any other person or persons (whether individual or corporate).
- (iv) To carry on any retail and/or wholesale business.
- (v) To carry on any catering business.
- (vi) To carry on the business of publishing of books guidebooks or any other literature.
- (vii) To carry on the business of providing educational services including the running of courses and seminars and the production of educational materials and resources.
